Sessions end with street soccer games and cool-down activity.

Friday, April 27
Friday, May 4
Friday, May 11
Friday, May 18
Friday, June 1
Friday, June 8

Street Soccer

A primary focus at the youth level is to provide an environment that simulates “pickup” games where players are encouraged to develop creativity and personality. Kids need to be allowed to play freely, experiment with their skills and use them in a creative manner. In street soccer sessions, players are allowed to learn the game through trial and error.

GPSA Goal Keeper training will be provided if there is enough interest for ages U11 and up during the field sessions - (5:45-7:00 PM)

The training will concentrate on fundamental technical and tactical soccer skills for younger age groups and is designed to provide a complex and demanding skill development progression for the older age groups.

Location: Barnes Elementary **Required:** Bring Water Bottle, Soccer Ball, Shin Guards, and Dress for Soccer!
Registration: www.grossepointesoccer.org. **Contact:** Tom Corsentino (586) 709-3509 or John Mellon (586) 850-3711
